Subject: Notification of Signing of the Concession Contract for Wastewater Treatment and Water Recycling Project for the Suan Luang – Sam Yan Area with Chulalongkorn University

To President,
The Stock Exchange of Thailand

Please be notified that TEAM Consulting Engineering and Management Public Company Limited (“the Company”) has signed the Concession Contract for Wastewater Treatment and Water Recycling Project for the Suan Luang – Sam Yan Area with Chulalongkorn University.

The Project is aimed to promote the private investment in wastewater treatment and water recycling system with a capacity of 200 m³/day, including management and maintenance of the system. Effluent released from CU Terrace and CU I-House buildings will be treated to meet the specified quality and will be sold back to Chulalongkorn University for recycling purpose for maintaining pond water levels, and watering plants in the CU Centenary Park and its surrounding areas. This contract marks the Company’s first investment in the concession project with the period of 10 years. This project is a part of Smart Environment which is one of the “Smart 4 -Chula Smart City” Concept.

This project acquisition is in accordance with the ordinary course of business and general trading practices as executed by the Company with other companies, as approved by the Board of Directors. Details of work are as follows:

Signing date: September 2, 2019
Client: Chulalongkorn University
Concessionary period: 10 Years

Please be informed accordingly.

Sincerely yours,

Chawalit Chantararat
President
