To President,  
The Stock Exchange of Thailand

Subject: Notification of Signing of the Consultancy Contract to provide service for the Feasibility Study and Preliminary Design of the High-Speed Rail Linked 3 Airport Project Phase 2 Extension Rayong - Chanthaburi - Trat

Please be notified that TEAM Consulting Engineering and Management Public Company Limited (“the Company”) has signed the Consultancy Contract to provide service for the Feasibility study and Preliminary Design of the High-Speed Rail Linked 3 Airport Project Phase 2 Extension Rayong - Chanthaburi - Trat

The project is the extension of the High Speed Rail Linked 3 Airport Project Phase 1 which aims to expand the development of the rail network system in the Eastern region to be more extensive. It will connect industrial estates, seaports, and airports in the Central and Eastern regions as well as support the establishment of the Eastern Fruit Corridor in order to enhance tourism in Rayong-Chanthaburi-Trat provinces. This project will be one of the key drivers for the integrated development of the Eastern Economic Corridor.

This project acquisition is in accordance with the ordinary course of business and general trading practices as executed by the Company with other companies, as approved by the Board of Directors. Details of work are as follows:

|                   |                                 |
|-------------------|---------------------------------|
