Subject: Notification of Signing of the Consultancy Contract for Construction Supervision of water transmission tunnel and related work (Contract SV-903) under the 9th Bangkok Water Supply Improvement Project

Please be notified that TEAM Consulting Engineering and Management Public Company Limited (“The Company”) has signed the Consultancy Contract for Construction supervision of water transmission tunnel and related work (Contract SV-903) under the 9th Bangkok Water Supply Improvement Project.

This project aims to connect the water distribution systems in the Eastern and Western area. This alleviates the problem of salinity intrusion and reduces the risk of the water treatment system of the Metropolitan Waterworks Authority (MWA). It also solves the insufficient water supply and helps enhance the efficiency of MWA’s water supply services in the Western area of the lower Chao Phraya River.

The acquisition of this project is an ordinary business transaction and in accordance with the general commercial conditions which the company has approved. Details of work are as follow:

Signing Date:	September 3, 2021
Client:	Metropolitan Waterworks Authority
Project Period:	40 Months
Project Value	177.95 Million Baht (VAT Excluded)

Please be informed accordingly.

Sincerely yours,

(Mr. Aphichat Sramoon)  
Chief Executive Officer
